

DANIEL, VOLUME 2: GOD'S PLAN FOR THE FUTURE

THE FINAL WORLD DICTATOR

SELECTED SCRIPTURES

The Heart of the Matter

Freedom and security have been at war almost from the dawn of humanity, with security usually winning out. Dictators through the ages have always known this truth: many people will give up their freedom for security. At no time in human history will this be more evident than during the terrible time that will come when the Antichrist rules the world. The Bible speaks of this world dictator in great detail and challenges people to make a choice—accept freedom in Christ and the security of everlasting life, or seek temporary security in the Antichrist and suffer enslavement to damnation.

Discovering the Way

1. General Information about the Antichrist

In the chaotic aftermath of the rapture, one will arise to bring order and security to the world.

2. Specific Scriptures Describing the Antichrist

The Bible never tells us the Antichrist's name but does provide many details about him.

Daniel 7	2 Thessalonians 2
Revelation 13	Revelation 19

Starting Your Journey

Concluding suggestions: First, watch the news with an eye on the Middle East. Second, interpret current events with a mind on prophetic truth. Third, anticipate Christ's coming with a heart on God's promise, the rapture of the church.
